Quality Concerns in Teacher Education

Professional organization and prominent institutions have the onus of responsibility to initiate a national debate on manifold issues that are the basis of quality of teacher education. Seminar theme is “**Creative Education**”. Prominent sub-themes selected for the present seminar

- Value Education
- Moral Education
- Personality Development
- Innovation and Researches in Teacher Education
- Professional Ethics of Teacher Educators
- Social Responsibility of Teacher Educators

The seminar is open to Teacher Educators, M.phil and Ph.D Research Scholars and B.Ed and M.Ed Students.

Call for Papers with Abstracts on any sub-themes listed above

Paper reflecting original thought presentation and meaningful organization are invited duly certified by the author(s). Papers for presentation in the seminar should be sent duly typed in English (MS-Word Times New Roman Font, Size-12) in Hindi (MS-Word Kruti Dev 010, Size 14) on A4 size paper in maximum of 5-6 pages along with abstracts in 100-150 words to the convener and organizing secretary, latest by 18-08-2017

Main attraction:

- This national seminar is open for everyone & is absolutely free in terms of registration, participation, certificates, etc.
- If you want to submit papers also, please let us know a day before at least so we can allot the particular time for you.
- As the time will be 5 to 6 minutes for paper presentation at seminar.
